## RESEARCH

**FEB 2016 – MAY 2019**

**COGNITIVE PSYCHOLOGY, DR. HALL**

Did research on various subjects, including attention span, testing effect, spatial awareness skills, and memory recall

**DEC 2018 – MAY 2019**

**SOCIAL PSYCHOLOGY, DR. GIESLER**

Researched and wrote a thesis on how external factors affect judgement when choosing romantic partners at Indiana colleges

**JAN 2019 – MAY 2019**

**HUMAN BIOLOGY, DR. GERECKE**

Researched how circadian rhythms affect tooth development and the progression of oral diseases.

**FEB 2020 –**

**INFECTIOUS DISEASE, DR. TUGIZOV**

I will participate in the fellowship this upcoming summer researching the role of HIV infected lymphocytes on the development of cancer in HPV-positive patients.

## LEADERSHIP

**SEP 2016 – MAY 2019**

**STUDENT ORIENTATION GUIDE, COMPANY**

I was responsible for helping new students transition from high school to college. I served as a role model for them throughout their entire college career.

**JAN 2016 – MAY 2017**

**TEACHING ASSISTANT, GENETICS**

I prepared every lab and set up all the correct equipment. I would help students during the lab itself and then was available through email for questions during the rest of the week. I also was responsible for grading some quizzes.

**APR 2016 – MAY 2019**

**PRESIDENT, HILLEL**

I oversaw all other members of the board, worked one-on-one with members of the community and Butler staff, and planned a range of events. We held a monthly shabbat, plus high holiday services, held social events for new/graduating students, and parents weekend. Most notably, I worked with members of other organizations to plan interfaith events on campus and in the community.

**JAN 2017 – JAN 2018**

**SOCIAL CHAIR, DELTA DELTA DELTA, DELTA LAMBDA CHAPTER**

Coordinated numerous events between our organization and others. Planned large events for the entire organization.

**JAN 2016 – MAY 2019**

**SECRETARY, INTERCOLLEGIATE SPEECH TEAM**

I competed nationally in platform speaking with speeches I wrote on a variety of topics, most notably, the implantation of false memories, IPS cell treatment, and domestic abuse of illegal immigrants. Additionally, as secretary, I took notes at all meetings and periodically sent out emails to members of the club about upcoming events and competitions.

**MAY 207 – MAY 2019**

**INTERFAITH DAY OF SERVICE, BUTLER UNIVERSITY**

Collaborated with other minority organizations on campus to come together in the community and volunteer. Each years event was followed by a dinner and discussion about the connections between our different groups.

**OCT 2019 –**

**CHILDREN'S HEALTH HUT, SUPPLIES COORDINATOR**

I help ensure that we have all the necessary supplies ordered and at the accessible for all of our events.

## PRESENTATIONS

**MAY 2018**

**ASSOCIATION FOR PSYCHOLOGICAL SCIENCE CONVENTION**

Presented research on the testing effect caused by laptop use in a classroom setting.

**APR 2018**

**UNDERGRADUATE RESEARCH CONFERENCE, BUTLER UNIVERSITY**

Presented research on how individuals with greater special awareness abilities had a more detail-oriented memory recall.

**APR 2019**

**UNDERGRADUATE RESEARCH CONFERENCE, BUTLER UNIVERSITY**

Presented research from my thesis in which the presence of peer influence or a positive computer algorithm led individuals to accept a date with a romantic partner possessing obvious red flag characteristics.

## WORK EXPERIENCE

**JUN 2017 – AUG 2017**

**ASSITANT, PEF DENTAL CLINIC, ISRAEL**

Worked with patients at the local mental institution as well as Syrian refugees. Types of care ranged from general, to oral surgery, to pediatric, and beyond.

**JAN 2015 – JUN 2015, DEC 2017**

**ASSISTANT, DR. CHERYL CALLAHAN, DDS**

Learned lab technician skills, such as making nightguards and using the CadCam. Also learned many aspects of working at the front office of a dental practice

**APR 2016 – AUG 2016, MAY 2019 – AUG 2019**

**ASSISTANT, FALLSGROVE ORAL SURGERY, DR. HARLENE SANDLER**

Learned a multitude of skills such as how to interact with patients, HIPPA laws, malpractice insurance, the specifics of dental surgeries, and how to fully assist during a dental procedure. I was also responsible for patient x-rays.

**FEB 2018 – MAY 2019**

**BARTENDER, BURGER STUDY**

Worked in a popular downtown spot at an upscale restaurant. Multitasking and teamwork skills were necessary for success. I also had to be both professional and personable while maintaining quick service and genuine hospitality.

**SEP 2016 – MAY 2019**
